Civil Action No. H-19-1307

ORDER

Pending before the Court is Defendant's Motion for Summary Judgment (Document No. 28). Having considered the motion, submissions, and applicable law, the Court finds genuine issues of material fact preclude summary judgment.¹ Accordingly, the Court hereby

ORDERS that Defendant's Motion for Summary Judgment (Document No. 28) is **DENIED**.

¹ The Court notes Defendant AG Equipment Company ("AG") objects to the Court's consideration of prior statements as to a different former employee made by AG's owner, Grady Ash ("Ash"), as evidence of discriminatory animus. The Court did not consider Ash's prior statements when ruling on the motion. Thus, the Court need not address AG's objection at this time.

SIGNED at Houston, Texas, on this 30 day of April, 2021.

A handwritten signature in black ink, appearing to read "David Hittner", written over a horizontal line.
